Sunshine Dance Families,

I want to take this opportunity to extend my heartfelt gratitude to each of you and to thank you for your continued support of Sunshine Dance. It's been an exciting year and we are delighted to present to you "Seasons" as this year's recital theme. Each class performance for our recital will coordinate with a specific season and are placed in the recital accordingly. We hope you enjoy the journey!

This year's recital will be a fresh and new experience for all of us! This Recital Packet is intended to make your experience more enjoyable and less stressful. We ask that you please take the time to thoroughly read through the packet so you have a clear understanding of what is required from all of us to make our dress rehearsal and recitals a complete success.

Thank you,
Jared Titus
Owner/Company Director

Recital Packet 2019

Your Recital Packet Includes:

- Complete Performance List
- Dress Rehearsal Schedule (including dates and times required)
- Recital Schedule
- Costume, Hair and Makeup Requirements
- Photography Schedule
- Parent Volunteer Information
- Day of Recital Information
- Audience Etiquette
- Video Purchase

*Parents please note that attendance in class the last 2 weeks prior to recital and attendance at dress rehearsal are REQUIRED for your dancer to participate in recital. Rehearsal and recital dates were released by email to all parents November 1, 2018 in order to allow advanced planning of schedules and to avoid any conflicts. Please contact the office if you have any questions regarding this policy.

COMPLETE PERFORMANCE LIST

Below is a list, in numerical order, of each class performance. Numbers 1 through 33 will perform in Recital #1. Numbers 34 through 65 will perform in Recital #2. These numbers will be referred to multiple times within this packet so please familiarize yourself with the number(s) for your dancer's class(es). Please check your dancer's name for spelling errors and email us with any changes.

As a note, when creating the performance schedule for our pre-core and core students, we took into consideration siblings and the number of classes taken for individual families. Every effort was made to put all siblings within a family into the same recital, but for a few families this was simply impossible. We apologize to those families for any inconvenience this may cause.

DRESS REHEARSAL SCHEDULE

*Please note that full hair, makeup (if applicable) and costume is required upon arrival for dress rehearsal.

Due to the increased number of students and the size of our new venue, this year's Dress Rehearsal will be run in a different manner. Upon arrival at the MAC, staff will be available to direct you to your dancer's assigned dressing room. All Parents of dancers 2nd Grade and under are required to check their dancer into and out of their dressing room on both dress rehearsal and performance days. Dancers must remain in their assigned dressing room each day until called to the stage or released for the day and must then be signed out by a parent with the lead parent volunteer. Dancers 3rd Grade and above do not need a parent but must still check in and out of their assigned dressing room with the lead parent volunteer. They must remain in this dressing room until called to the stage or released for the day.

As you will see by the schedule below, each class will be called at specific times in groups according to the performance number associated with their class (find this number in the above performance list) for a 1 hour and 45 minute time period. All Dancers (with the exception of 2Tu, Fairytale Dance and Pre-K classes) will be required to stay for the entire time period of 1 hour and 45 minutes. Rehearsal will take place in show order, with a few exceptions to accommodate the length of time our younger dancers will be at the dress rehearsal. Dancers will perform each number on stage, practice their backstage route between the dressing room and stage and rehearse the curtain call. Please note that in an effort to simplify things for our youngest dancers, this year all 2Tu, Fairytale Dance and Pre-K classes will bow at the end of their class performance and will NOT participate in the curtain call. These dancers will be released from dress rehearsal after they have performed their number on stage and practiced their route between the dressing room and the stage. They are NOT required to stay the entire 1 hour and 45 minutes. We want everyone to be comfortable on stage and in the new facility. We feel this schedule will allow your dancers to have a very similar experience as to what will happen the day of recital. All dancers must be checked out of their assigned dressing room with the lead parent volunteer before leaving for the day.

We realize this schedule will be a fast turn around from school dismissal (if you are released at 3:30pm), but please do your best to arrive on time so we can begin promptly.

PARENT VOLUNTEER INFORMATION

Dress rehearsal and recital would not be possible without our wonderful parent volunteers! Due to the size of the facility, we are requiring that all 2Tu, Fairytale Dance, Pre-K Combo, Kinder Combo and 1st-2nd Grade Classes each have 2 parent volunteers. Our 3rd through 5th grade classes will be required to have 1 volunteer each. We will also need Lead Volunteers for both recitals. Lead Volunteers will be responsible for checking dancers in and out of the dressing room, assist with lining up dancers when they are called to the backstage area and monitoring the activities of the room. Please note that Parent Volunteers are volunteering for your dancer's set time on their Dress Rehearsal Day AND for their entire recital performance. (Recital #1 or Recital #2). Lead Volunteers for Recital #1 will need to be at dress rehearsal on both June 4th and 5th. Lead Volunteers for Recital #2 will need to be at dress rehearsal on June 6th.

Volunteers will NOT miss their dancer(s) performances during recital! You will have ample time, once dancers leave the dressing room to head backstage, to take a seat in the auditorium in a section that will be blocked off for parent volunteers to view their dancer's performance.

Below is the link to register as a volunteer through the parent portal. This link is also available on the recital page of the Sunshine Dance website.

DAY OF RECITAL INFORMATION

**Please note that full hair, makeup (if applicable) and costume is required upon arrival the day of recital.*

Upon arrival at the MAC, dancers must be checked into their assigned dressing room (Parents will learn which dressing room at dress rehearsal). All dancers 2nd Grade and under require a parent to check them into and out of the dressing rooms on both dress rehearsal and performance day. This will be done with the lead volunteer assigned to your dancer's dressing room.

Snacks and water are allowed in the dressing rooms. Please, no other drinks are allowed. We also recommend that you bring quiet activities such as coloring books and crayons, (Please, no markers that may stain costumes) books, quiet games, I-pad with headphones, etc. Televisions with a live stream of the recital performance are in each dressing room to allow the dancers and parent volunteers to watch the entire recital!

Admission to recital is free of charge and there are no tickets required. Parents are not permitted in the auditorium before doors open, 30 minutes before performance time. Seats are all general admission and are on a first come basis. There will be no saving of seats prior to the performance. This is a policy of the MAC and will be strictly enforced. If you will attend both recital performances, you will be required to exit the auditorium, with your belongings, after the first performance and re-enter for the second performance. This is a policy of the MAC and will be strictly enforced.

Parents with dancers in 2Tu Dance Classes will be required to exit the auditorium after their dancer's performance, check them out of the dressing room and return to the auditorium to enjoy the remainder of their recital. Parents with dancers in Fairytale Dance and Pre-K classes may choose to do the same but these dancers are welcome to remain in their assigned dressing room for the duration of the performance. Please remember that exiting and entering the auditorium during recital should be done between performance numbers so as not to disrupt other audience members.

After the recital performance, dancers 2nd Grade and under will require a parent to sign them out with the lead volunteer of their assigned dressing room. Dancers 3rd Grade and above will not require a parent, but also need to sign out.
